

Year 1 History – Sir David Attenborough

What should I already know?

- Know that events happened before their lifetime.
- Know that the events changed life as we know it.
- Know about the lives of significant individuals in the past who have contributed to national and international achievements – Neil Armstrong, Queen Elizabeth II

Key Knowledge
<ul style="list-style-type: none"> • Broadcaster and a writer • Born 1926, London • Still alive today, 96 years old • Grew up in Leicester. • Collected fossils and rocks when he was a boy. • Queen Elizabeth II made him a ‘Sir’ in 1985. • Many of David’s programmes talk about the damage that humans are doing to our planet. • He has helped people all over the world learn about how dangerous plastic is to creatures in oceans and seas. • He works hard to teach people how to look after our Earth and the plants and animals on it. (conservation).
