

What should I already know?

- To be able to use simple tools and techniques competently and appropriately.
- Know how to cut, tear and scrunch papers.
- Selects tools and techniques needed to shape, assemble, and join materials they are using.
- Explores what happens when they mix colours.

Key Vocabulary and Definitions

2D	Flat, shapes that only have length and width.
3D	Not flat, shapes that have length, width and height.
collage	A piece of art that is made from a collection of different pieces and materials.
curl	Something with a small curved shape.
fringe	Loose hanging strips of paper or strands of fabric attached to the paper or fabric.
concertina	A zig zag fold where paper or card is folded forwards and backwards.
overlap	To place something so that a part of one covers a part of another.
texture	How something feels and/or looks like it would feel.

Key Knowledge

- Know that artwork does not have to be flat, 2D work.
- Know that some materials are better for a desired effect.
- Know how to create various sculpture techniques from a 2D piece of paper or card (roll, loop, curl, tab, fringe, concertina).
- Know what texture is and how to describe different textures
- Know that I can show my ideas, experiences and my imagination in my artwork.

3D Paper Sculpture Techniques
