

What should I already know?

- To be able to move an object on a screen.
- To be able to open a program or app on an ipad.

Key Knowledge

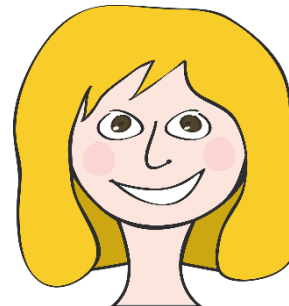

- I can use my fingers to act as a mouse to create a digital painting.
- I know how to use the shape and line tools.
- I can use the correct colours and brushes to create a painting in the style of Kandinsky.
- I can compare digital and non-digital paintings:
 - I can decide which is my favourite and explain my choices
 - I know that paintings can be made in many different ways
 - I can decide whether a piece of art is digital or non-digital
