

What should I already know?

- Who I am, my name and my age.
- That I am different to anyone else.
- What I like and don't like.

Key Knowledge

- To name and describe myself and people in my class, noticing how we are the same and different.
- To be able to name and describe my family and show interest in other people's families.
- To describe things that are important to me and my family.
- To show interest in a range of people and the variety of ways they live their lives.

Key Vocabulary and Definitions

Same	Identical to something else, not different.
Different	Not the same as another.
Friends	A person we like and get along with who is not family.
Special	Belonging specifically to a person.
Family	A group of people who live together.
Welcome	A friendly way of greeting someone showing you are pleased they are here.
