

Dear parents and carers,

It has been wonderful to see the sunshine return this week and the children have been enjoying outdoor learning this week.

Our Reception trip to the farm was a huge success, the children and staff had a great day and the weather was just right.

Our Year 2 children are busy preparing for the concert and it has been wonderful to hear their singing throughout school.

- Your feedback is very important to us, please could you complete our parent survey. We will then use this information to celebrate areas of strength and identify areas of improvement. <https://www.surveyhero.com/c/parentsurvey24>

Please complete the survey by **Friday 21st June**

Sports Day

Please note there will be no reading session on Tuesday 25th June due to KS1 sports day.

Sports days will take place as follows:

- Year 1 and Year 2 Tuesday 25th June @ 9.30am – on the Junior School field
- Pre-School and Reception Wednesday 26th June @ 9.30am – on the Junior School field
- Shooting Stars Tuesday 2nd July @ 9:30am – in Pre-School outdoor area

Sports days will take place on the Junior School field or in the Pre-School outdoor area and will begin at 9.30am. They should last no longer than an hour and a half, being finished by around 11am. Shooting Stars sports day will be no longer than an hour.

We would love for parents and carers to join us but ask that you drop the children at classes as usual and then make your way to the field and await the arrival of the children.

The weather forecast at present is looking very warm for these days. Please ensure your child brings a water bottle and a sun hat and comes to school dressed in appropriate PE kit. Please apply suncream at home before in preparation for being out in the sun.

Unfortunately we will not be permitting photos or video recordings during sports day but there will be some time at the end to take some photos of your child.

Thank you for all the donations for the school fete. I will be in the stocks tomorrow and hope to see you there!

Take care,

Mrs Holmes
