Leicester Schools Parent Travel Survey

Leicester City Council would like to hear your views about how we could get more children travelling sustainably to school in Leicester. This survey is being carried out by Sustrans - the charity making it easier for everyone to walk, cycle and wheel - who are working with Leicester City to help more pupils walk, scoot or cycle for their school journeys.

As a thank you for sharing your views, we are offering one lucky winner a £50 Love to Shop voucher. A winner will be drawn at random after the survey closes. If you'd like to be entered into the draw, please provide your email address at the end of the survey.

Overdale School Street Camera enforcement

On Tuesday 7 January 2024, the ANPR camera on Northfold and Eastcourt Roads, next to Overdale schools, will go live to enforce the school street.

We hope that this will help to make the school run safer and healthier for everyone.

The School Street is operational between 8-9am and 2:30-4pm, Monday to Friday, during term-time.

This means that if you drive past the sign, into the school street, during these times. You will receive a fine.

A 'Warning Notice' will be issued for first offences only, within the first six months, from the start date. After the six months has elapsed, vehicles will be fined for all entries into the school street, during times of operation.

The fine will be full charge at £70 and you would receive it by post. Should you pay within 21 days the fine will be reduced to £35.

If you have to drive, consider a park and stride from Knighton Park car park, or choose an active journey by walking or wheeling.

Full details on who is exempt from the school street, and how to apply for an exemption can be found at [School Streets < Choose How You Move](#)
